

Jean-Claude RAMONET

Chassagne-Montrachet 1er Cru Les Caillerets Blanc

Appellation: Chassagne-Montrachet

Variety: Chardonnay

Soils: Stony, chalky white limestone soils

Surface: 0.86 Acres

Vines Planted: 1982

Oak Aging: 12-15 months in 60–65% new oak

From the celebrated *terre blanche* soils of the top slopes above Chassagne, this wine comes from two plots on the slopes above Chassagne. The rocky, limestone soil produces wines sparkling with minerality. Pretty aromas of fresh brioche, white flowers and toasted nuts lead to a mineral-driven palate combined with heirloom apples and tarragon. Cailleret produces archetypal Chassagne whites that are rich, complex and age-worthy.
